**CHR**, manufacturers of the **Safari** helicopters, issues the enclosed **News Release**. We ask that you consider this release in your next available publication.

March 1, 2006

### **News Release**

**CHR**, manufacturers of the **Safari** Helicopter Kit, are pleased to announce the acceptance of Claude Lescure as the new Dealer for the Safari, in France, with his acquisition of the current French dealership, Locafly. Claude is a Safari builder who has been flying his Safari for many years. He is a commercial pilot for Air France and has recently earned his CFI designation for helicopter training. Claude will be setting up a flight training program for builders of the Safari, the third official flight school now opening. We congratulate Claude on his convictions and his achievements.

Email to Claude is available through the Safari website of [www.acehelicopter.com](http://www.acehelicopter.com), under the section Dealers/Brokers. Claude is also on his own website: [www.locafly.com](http://www.locafly.com) and these e-mail addresses: [lescure.claude@free.fr](mailto:lescure.claude@free.fr) and [claude.lescure@locafly.com](mailto:claude.lescure@locafly.com) or by phone at: +33 (3) 44-40-50-49.
